

Tap into more customers in your neighborhood with **Walmart LocalFinds**

LocalFinds is the easy way to get more local orders, every day! Reach nearby Walmart customers by enabling them to shop your store through the **Walmart app** or **Walmart.com**.

Make local Walmart customers your new regulars

Instantly reach Walmart customers in your area and sell from your own unique digital storefront.

Stand out in your neighborhood and on Walmart.com

Get discovered through LocalFinds business spotlights on **Walmart.com**.

Tap into same-day delivery customers

Capture a new audience by offering same-day delivery for items from your store.

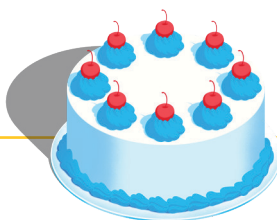

Increase foot traffic to your storefront

Bring new customers to your brick-and-mortar store by offering in-store pickup.

“Partnering with Walmart through their LocalFinds program is an exciting step for BreadHaus. It allows us to reach more families who care about what they eat. This collaboration helps us stay true to our roots while growing in ways we’ve only dreamed of.”

— **Bryan Motta, co-owner of BreadHaus**
in Grapevine, Texas

BreadHaus reaches more customers with LocalFinds

How LocalFinds works

Step 1:

Join LocalFinds and list your products on **Walmart.com**

Step 2:

Reach local Walmart customers shopping for items like yours

Step 3:

Customers can pick up their items from your store or get same-day delivery through Walmart*

*Same-day delivery subject to store hours and availability
